Vets: The Section 6AAA meet is at Eden Prairie this Tuesday and Thursday and will determine advancement to the MSHSL State Meet. This meet will be a bid different. Both 6AAA and 2AAA will have their meets going at the same site at the same time. We will go over the schedule this week.

Rookies: Super nice job learning how to be a contributing member to the team. We are happy how you have learned the process and looking forward to seeing your contribute in varsity meets soon. You have put together a good foundation that will serve you well in the coming year in not only T&F but all the other activities you are involved in. Many of you will still be competing in our intersquad meets this and next week.

Reminders for ALL:

Next Week:

- Our final meet of the season: the MSHSL State Track & Field meet.
- The Wayzata Youth Track & Field Meets start June 8. This is a super fun event for our 5-12 years old's in the community. We will be needing volunteers for this to make it possible. It will take one hour of your time and you get to help out with a bunch of the boys and girls on the team.

Competing is like mouthwash; if you can feel the burn, it's working.
